

Textron Charitable Trust Summer Fellowship

APPLICATION DEADLINE

Application Due: Friday, March 22, 2019, 12:00 NOON

Application opens: January

Awards are announced: by Early April

DESCRIPTION

Thanks to the generosity of Textron Charitable Trust, RISD will provide \$2,500 fellowships to at least 3 selected RISD undergraduate students who have designed a unique summer internship. Financial need is a factor in the selection process. These fellowships support unpaid or low-paid summer internships that employ creative thinking to solve problems, drive economic development, or address social issues. Internships in which the student has actively sought and developed the experience based on their skills and interests, rather than a "standard" internship that already exists in the organization's structure, are preferred. Financial need is a factor in selection.

The internship must be for credit. Awardees must receive Department approval and register the internship in Artworks in May. Awardees are required to submit a final evaluation in Artworks by August.
